VOL. VIII, NO. 30 — LAFAYETTE — ORINDA, CALIFORNIA — FRIDAY, OCTOBER 6, 1950 — TEN CENTS

Commuters Will Oppose New Greyhound Move for Fare Hike

Association Votes $100 for Lawyer To Fight Increase

Discussion of future action on Greyhound Lines rate hearings, means of improving service and election of new directors were on the agenda for members of the Contra Costa County Commuters Association which met Tuesday night at the Veterans Memorial Hall in Lafayette.

It was reported that the Public Utilities Commission had granted Greyhound Lines permission for a rehearing on their application for interim fare increase, with October 23 set as date for the session. Greyhound had appealed for the new hearing when the commission denied a plea for increased fares in a decision September 1.

Simultaneously, P.U.C. has announced that applications of all major bus companies for statewide increases in all passenger fares would be scheduled for the same hearing date, October 23.

FILES PETITION

The same day the commission had granted the new hearing, October 3, Spurgeon Avakian, attorney for the commuter association, had filed a petition with the body protesting the rehearing, but asking that if such a move was allowed he would be given an opportunity to present the argument for the commuters.

Members voted an appropriation up to $100 from the treasury to reimburse Attorney Avakian for the work on the rehearing he is doing on behalf of the organization. Appreciation was expressed for his aid which had been volunteered as a helping gesture.

It was voted to instruct new directors of the organization to investigate ways and means of raising funds to protest the statewide fare increase. A committee will be appointed for this purpose next week, according to John McKirahan, secretary of the association.

SERVICE INADEQUATE

On the topic of service a comparison of problems confronting San Francisco and Oakland commuters brought out the fact that service to both cities is equally inadequate and intolerable, McKirahan said.

Four methods of attacking the problem and providing better service were outlined and members voted upon a choice which will be refined and explained after a committee meeting of the board of directors.

The new board will meet at Acalanes High School next Tuesday night at 7:30 and the public will be welcomed, McKirahan announced.

NEW DIRECTORS

Eight new members of the board of directors were named at the Tuesday night session. Seven of these were elected to serve for a term of two years, and one was named to fill the position vacated by Emmit Samon of Orinda, who found it necessary to submit his resignation for business reasons.

Two incumbents were reelected, A. Macomber, Concord, and Robert H. Pulford, Lafayette. Other new directors are: Charles D. Anderson, Walnut Creek; John B. Herod, Pleasant Hill; Kent Hamilton, Danville; Arthur Bowman, Orinda; Miss Norma L. Warner, Walnut Creek and M. Hansen of Walnut Creek.

Retiring President Edward Klick thanked officers and members for their fine job in the past year.

Directors will choose a new president, vice-president, secretary and treasurer at the meeting next week.

IT'S FUN to travel or even pretend to travel, as the two pictures demonstrate. At left are Mrs. Richard W. Breuner (left) and her daughter Clare, of 515 Miner Road, at the home of George Washington's ancestors, Sulgrave Manor, during their recent vacation trip to Britain. The other picture shows a happy group at the colorful benefit luau staged by the Orinda Branch of the Children's Hospital of the East Bay at the Vad Jeltons' estate in Happy Valley September 23. Those in the group, whose smiles are no doubt at least partly due to the tempting Hawaiian food they're holding, are, left to right: Mrs. Vad Jelton, Mr. Vad Jelton, Mrs. Theodore Almquist and Mrs. Stephen Jensen.

C. of C. All Set for Community Dance To Be Held at New Postoffice Oct. 27

Plans are all set for the Orinda Chamber of Commerce community project dance to be held at the new postoffice quarters in the Rheem Building on October 27, according to Chamber President William Worden.

Proceeds will be used for a bus waiting shelter near the Shell Service station at the Crossroads, for the convenience of commuters and others who use bus transportation. Plans for the new structure have already been designed by Architect Wayne Littlejohn.

DISCUSS PLANS

Discussion on arrangements for the affair occupied the chamber members at their noon session yesterday at Casa Orinda.

There will be a four-piece orchestra for dancing.

As a special feature, Diane Trago and her partner will present a cavalcade of dances popular through the years from 1900 up to the present. They will demonstrate the intricacies of the Castle Walk, the Charleston, the Bunny Hug and conclude with the modern popular dances of today.

POSTOFFICE STAFF

Staff members of the postoffice, which anticipates opening its new quarters for official business next month, are to be guests at this affair, according to Worden.

Tickets for the dance are being forwarded to residents of Orinda accompanied by an explanation of the project and a sketch of the proposed shelter.

Orindans who like to dance, enjoy watching an unusually good dance feature program, like to join their fellow townsmen for a pleasant evening, don't like to stand out in the elements to wait for buses and like coffee and doughnuts, which will be served as refreshments, are urged to reserve the night of October 27 for the dance given by Orinda Chamber of Commerce.

New Orinda Residents

New Orinda residents are Mr. and Mrs. C. E. Daviess and their sons Tommy and Dickie, of 43 Camino Encinas. They moved here from Los Angeles. Tommy has started in kindergarten at Glorietta School.

Hats Off to New Orinda Auxiliary

This week the SUN says, "Hats off to the six women who have started an auxiliary for the Mt. Diablo Child Therapy Center."

They are the Mesdames Frank A. Brush, Robert L. Bigler, A. Keene Pettengill, Frank B. Hight, George R. Klement and Ida B. Zamloch.

The marvelous work accomplished by the Child Therapy Center is well known. Its humanitarian task is carried on under crowded, difficult conditions. Money is needed—for operating expenses, new equipment and, most important, land and a building of its own.

The auxiliary in Orinda, to be divided into an afternoon and evening group, intends to help raise money.

Yes, the SUN doffs its hat and wishes the group great success.

Mott New V-P of Park Executives

William Penn Mott, Jr., of Orinda, superintendent of Oakland parks, was elected vice-president of the American Institute of Park Executives at the national convention in Dallas, Texas.

Mott has served the institute as chairman of the Horticulture Committee for the past year, and has been active in advocating development of a plant exchange program among the park departments of the United States and Canada; establishment of a horticultural symposium in the institute's publication, "Parks and Recreation" and establishment of a horticultural display at each national convention.

Probably one of the most interesting displays at this convention were Mr. Mott's models of his "Children's Fairyland" in Lakeside Park, Oakland.

Park Pool Picks 5 New Directors

Five new directors were elected to the Orinda Park Pool board at the annual meeting Sunday.

Mary Matey, Stuart Henderson, Ron Anderson, Don Ambler and Drexel Gibbons have been selected to replace the following directors who have completed their term of office: Doris Clifford, entertainment; Fred Von Guenthner, vice president; Glen Holtwick, public relations; Wayne Littlejohn, planning and life guard, and Keene Pettengill, canteen.

Medal awards were also made at this time to the following record-breakers:

Free style—Sheri Elder (8-9 years), 17.6; Georgiana Watkins (10-11), 15.1; Butch Fitzpatrick—(10-11), 14,6; Barbara Stark (12-13, 14,6; Sue Small (12-13), 14.1; Don La Barth (14-15), 12.9.

Back stroke—Georgiana Watkins (10-11), 18.4; Val Geisler (10-11)G, 18.2; Barbara Stark (12-13), 16.2; Jim Watkins (12-13), 16.8; Stanley Pedder (14-15), 16.6.

Definitely Rare, That Sept. Frost!

"Actually couldn't believe it!" "Impossible!" "Most unusual!" "Distinctly rare occurrence!"

These and similar remarks, some milder and, probably, some stronger, greeted the frost that sparkled on the ups and downs of Orinda last Saturday morning.

31.8 DEGREES

Weatherman informs us it was 31.8 degrees in the wee hours of that morning. "Very, very, very unusual."

EXTENUATING?

Extenuating was the weather department's report that through the week from September 27 to October 3, a maximum temperature of 88 degrees was recorded on September 28.

Rotary, Lions Joint Meet Set For Wednesday

In the first meeting of its kind between the two local service organizations, Orinda Rotary Club and Orinda Lions Club will hold a joint session at the Willows next Wednesday night at 7:30.

Frank Shirey of Rotary and Jerry McKinley of Lions are co-chairmen for the evening and promise an excellent program of entertainment.

ROUND TABLE

A round table meeting will be held at the usual mid-day time on Wednesday but the main meeting is scheduled for that evening, according to Wayne Seroy, publicity chairman for Rotary.

Dr. Galen Fisher of the Pacific School of Religion, who has been to both Korea and Japan, returning from the latter country in June, gave some interesting highlights of the economic conditions in both countries at this week's noon meeting.

He pointed out the imperative need for north and south Korea to unite for a sound economic basis as the main water supply is in the northern sector and so much is dependent upon this natural resource. Other aspects of present conditions and possible future contingencies were touched on in the talk.

Among the interesting sidelights on Japan given by Dr. Fisher was the increasing belief, as stressed by General MacArthur two years ago for the need of a civilian occupation force to administer the policies in Japan rather than a military administration.

Dr. Fisher was at one time a resident of Orinda but now lives in Berkeley.

Therapy Chapter Tea Wednesday

The lovely home and gardens of the George Neldams on La Espiral will be the setting for a tea next Wednesday—the first social event of the newly organized Orinda Chapter of the Mt. Diablo Child Therapy Center.

Response to the need for this organization has been enthusiastic.

Altar Society Installs

The Altar Society of Santa Maria Church installed its new officers at a dinner party at Planters Dock Tuesday night. New officers are Mrs. John Stoffel, president; Mrs. Jack Jansse, vice president; Mrs. Vic Baumhefner, corresponding secretary; Mrs. Edward de Laveaga, recording secretary; Mrs. Berton Kohler, treasurer.

Wadsworth Urges Engineer Pay Hike

President R. E. Wadsworth of the District Board, Central Contra Costa Sanitary District, yesterday strongly advocated a salary increase for Engineer-Manager John L. Mason.

JOB WELL DONE'

In an open letter sent to the press, Wadsworth declared that "... it appears that a salary increase is in order, not only for a job well done, but if only to reflect a cost of living increase."

Under the heading, "A Letter from the President of the Board," Wadsworth stated:

"About two years ago some members of the board began to feel that some of our expenses were running too high, namely the cost of engineering, and in an effort to obtain a modification of the existing contractual agreement, a difference of opinion arose with considerable repercussion.

CANCELLED CONTRACT

"The majority of the board members sincerely believed that we could change from contracting to our own employed engineer at a considerable saving and a better operation, so they cancelled the contract as the only solution in view of the fact that the previous engineer did not feel that any modification of the contract would be acceptable to him; however, a compromise was worked out where he continued until December 31, 1949.

"In December, 1948, the board employed the former resident engineer as being the best qualified and available man to be their manager, and in December, 1949, to be acting engineer and manager, this at a less salary than under his arrangement with the previous engineer, and as two years have passed, it appears that a salary increase is in order, not only for a job well done, but if only to reflect a cost of living increase."

GIVES SUMMARY

Saying "I will soon be handing the gavel over to a successor," Wadsworth dealt with the period in which he has been board president (since November, 1948), giving a summary which led up to further arguments for a raise for the engineer-manager.

The president stated that analysis of information in the auditor's report for the year ending June 30, 1950, "shows an average cost for engineering upon local improvement districts completed under contract to be 20 per cent, and while we do not as yet have a completed project under our employed engineer we can compare the cost up to the time of letting the contract, and the comparison shows an average under contract of 10.5 per cent as against 6.5 per cent under our present arrangement, making a saving of 4 per cent. The completed work should show a comparable further saving, or approximately 8 per cent.

IN DOLLARS

"This may not seem like a very large amount, but let us translate this to the individual home owner's experience where he has a sewer assessment of $500. 8 per cent would be a saving of $40.

"Or let us look at its effect on the whole operation where we have some three million dollars' worth of work; then 8 per cent amounts to $240,000, or something to be deeply concerned about.

"It also brings out the far reaching effects of some of the decisions your board makes, which should never be influenced by personal reasons, but rather wholely concerned with the merits of each individual problem."

PROJECTS

Wadsworth stated that in November, 1948, the district had three contracts for construction of trunk sewers and one for sewage disposal, at a total value of over $1,000,000, with work also in progress on five local improvement districts totaling over $1,500,000.

"Since November, 1948, nine additional local improvement districts were started under the contract engineer and completed under the district-employed engineer; these had a total value of over $2,000,000," Wadsworth pointed out.

"Since January, 1950," he continued, "additional work under the district's employed staff has been two trunk sewer contracts and two pumping plants with a value of over $90,000, together with seven local improvement districts with a value of approximately $600,000."

Nov. 3-4 Set for Dramateurs' Play

The nights of November 3 and 4 have been chosen for Orinda Dramateurs' first Fall production, "Guest in the House," with Acalanes High School as locale for its presentation.

Decision to stage the play in the high school gym was made as Orinda School auditorium was not available at that time.

DRESS REHEARSAL

With the first dress rehearsal slated for November 2, members of the cast have been busy studying their roles at their sessions held three times weekly and Sunday afternoons. Wednesday night was set for the first actual stage rehearsal at Acalanes.

Mrs. Wirtable Harris, Orinda 2460, is chairman of ticket sales for the play. Tickets may be purchased from any member of the cast.

'FUN NIGHT' MONDAY

Orinda Dramateurs have designated their monthly meeting date next Monday as "Fun Night." Anyone interested is invited to join the group for the audience participation program which is guaranteed to provide lots of laughs and fun, according to Mrs. Bob Anthonisen, publicity chairman. The session will be held at Orinda Community Church at 8 p.m.

Arrangements for the Monday night "fun program," mapping out of a membership drive and discussion of details for the forthcoming production of their play occupied group directors at a meeting at the Anthonisen home Tuesday night.

Present were Fred Udall, president; Mr. and Mrs. Frank Wright, Mrs. Wirtabel Harris, Mr. and Mrs. Andrew Blalock, Mr. and Mrs. Anthonisen and Production Director Edward O'Brien.

Supervisors Set Bond Election

Official call for the Orinda Fire District's $130,000 bond issue election November 21 was issued by the County Board of Supervisors Monday.

The resolution calling the election specified that three polling places will be open from 7 a.m. to 7 p.m. for the special election.

Women's Guild Gives $1,000 to Building Fund

The first $1,000 in cash toward the Community Church building fund goal of $25,000 came Tuesday as a contribution of the Women's Guild.

The sum was voted unanimously on recommendation of the executive committee in a meeting presided over by Mrs. Stanley Hunn, Guild president.

The organization has set itself a goal of $5,000 in five years toward erection and furnishing of a modern kitchen unit connected with the church hall. The sum voted represents the first year's achievement.

The meeting was a "Luncheon Is Served" affair and featured an explanation of November ballot propositions by Mrs. Ernest Spiegl and a fashion show displaying articles to be on sale at the Guild's bazaar November 9. All available tickets were sold and used by a crowd which filled the building to capacity.

Rain Causes Power Failure

A power failure in P.G. and E. transmission lines left Orinda and Moraga residents without electricity from approximately 10:13 to 11:34 yesterday morning.

Telephone communication was also affected in some instances due to the drop in power, with emergency generators carrying on the service until electric lines were repaired.

Dampness from the morning rain was cited as cause for the transmission line difficulties. Accumulated water in the insulators splashed over on the lines, causing pole-top fires, according to utility men.

In most instances, service was back to normal by noontime.

Invest in Orinda??

Here's Why Boy Scouts, Girl Scouts Need Your Help

What's the Diablo Valley Girl Scout-Boy Scout annual combined finance campaign, which starts October 16, all about?

First, let's take a look at the set-up for the drive in this area.

Additional volunteers are urgently needed to complete the organization required for Lafayette to insure success of the drive.

A general workers' instruction and "kickoff" meeting is scheduled for Lafayette Town Hall at 10 a.m. on the 16th.

Mrs. George Maki and Bert Howard are co-chairmen of the local drive. Fred Seulberger is head of the executive committee.

Captains now signing up lieutenants who will recruit workers for the various sections of Lafayette are: Dr. E. C. Gerow, Dr. Dana Hamlin, Jack Pedder and Ed Larsen.

IN ORINDA

In Orinda, where organization for the drive is almost completed, Mrs. F. R. Devin heads the campaign, assisted by Mrs. John L. Gompertz.

John Stoffel heads the executive committee in Orinda.

EACH COMMUNITY

A combined drive is to be conducted in each community in the Diablo Valley Area in which there is no organized Community Chest. There will be no Community Chest drive in Lafayette or Orinda.

The annual Boy Scout and Girl Scout Council fund drives were combined three years ago to save time and energy of community workers. Contributors are reminded that because they are giving to the year's program of two leading youth organizations, they should give twice the amount they would ordinarily give to one.

The Scouting organizations include Cub Scouts, Brownies, Boy Scouts, Intermediate Girl Scouts, Senior Girl Scouts and Explorer Scouts.

SHARED EVENLY

The funds secured are shared evenly by the two councils whose membership is approximately the same. Total membership in the Diablo Area of Boy Scouts, Girl Scouts and leaders is 3,500. Last year's total membersip was 2,600.

Nearly 700 boys, girls and their leaders are currently registered in Scouting in Lafayette; and an additional Boy Scout troop is in the process of being organized.

In Orinda, 493 boys, girls and leaders are active in Scouting.

AREA GOAL — $35,000

Total goal for this year's combined drive in the Diablo area is $35,000.

Funds secured in this annual drive are used to finance the 1951 programs of the Boy Scout and Girl Scout Councils which conduct and supervise Scouting in this area.

MANY SERVICES

Among the community services to the youth of this area which are made possible through the two councils are:

Guidance in recruiting and training of volunteer leaders.

Organization of new Scouting units.

Maintenance and improvement of four Boy Scout camps and one Girl Scout camp.

Organization and supervision of day camps held on sites not owned by the councils.

Services of trained professional camp directors.

Services of a trained, full-time professional field staff to supervise, promote and coordinate the yearly program of Scouting in the Diablo Area.

Supplying of tools and forms used in troop operation, such as individual test cards and certificates to all boys, registration material, troop program helps, weekly troop program suggestions, special troop activity material; promotion, coordination and supervision of district-wide unit program activities, such as field meets, camporees, swimming meets, merit badge shows, cubbing handicraft exhibits.

TRAINING OF LEADERS

All badges of rank in each step of Scouting advancement are furnished; records of status of every Scout and Scout leader are maintained; continuous training is provided for all leaders, commissioners, and committeemen through formal and informal training courses; all training supplies and aids, including a complete visual education film library and four sets of motion picture equipment are maintained.

Boats and sailing equipment for Sea Explorers and special equipment for Air Explorers is made available. Fire, theft and property damage insurance on all council trucks, buildings and camps and liability insurance on all volunteer leaders is kept in force. Rent, heat, light, postage, stationery, telephones, secretarial services and field staff expense also come from the yearly budget.

This year contributors may spread their contributions over the period of a year, if they so desire, using a newly-initiated future-payment pledge system.

JC Course Set For Walnut Cr.

A course in "Real Estate Law and Contracts" will be presented by the Contra Costa Junior College in cooperation with the Contra Costa Real Estate Board beginning Monday at the Walnut Creek Grammar School, according to Robert Nelson, coordinator of distributive education for the college.

John Eagan, manager of the Richmond-Martinez Title Company, and former instructor of law at the Hastings School of Law and the University of San Francisco, will be the instructor.

American Trust Buys H.S. Bonds

A $155,000 issue of Acalanes Union High School bonds was sold to the American Trust Company recently by the County Board of Supervisors.

This was another batch of the $900,000 bond issue approved last March by the voters of the district.

Improved Dons Face Tiger Power Tonight

Tonight finds the Acalanes Dons in their third game of the season, and for the third consecutive week it is played on the Acalanes Memorial Field, with kickoff time slated for 8 p.m.

The Dons meet up with the Fremont Tigers, who boast one of their better elevens. In their opening game they lost 6-0 to Castlemont, only to come back strong last week to register an impressive 19-6 win over a pre-game favorite, Alameda.

EIGHT LETTERMEN

Fremont has eight returning lettermen and a number of players over the 200-mark. They attack from a T and single wing, with the latter favored.

It remains to be seen if the Dons can cope with the off-tackle thrusts of the Oakland eleven.

In addition to power, scouting reports show good passing and some frills in the form of reverse plays.

The Dons have improved with each week's practice and at times show signs of developing into a better than average team.

SET FOR THE AIR

If the ground game fails to go, the Dons are prepared to take to the air with Ken Green and Vern Osborne slated to do the throwing.

Al Culp, the 135-pound scatback, has shown to advantage in practice and will see duty at a halfback spot in the course of the evening's play.

SLATED AS ENDS

Harold Weber and John Daniels are slated as ends, with Art Siler and Darrel Crossman, along with Jerry Henderson and Roger Linn ready to take over.

John Bowron and Bob Borghesani remain as favorites at tackle, while Bill Ives and Red Hawkins are ready at guard if starters Bob Stewart or Buzz Williams falter.

Richard Ting and Andy Monsen are a toss-up at center, while Vern Osborne and Ken Green are on a par at the quarterback spot.

BACKFIELD

Eddie Grueb rates the No. 1 fullback position, with Joie Pearson holding an edge at left half. Bob Wikenback holds a slight edge over a rapidly developing Dick Fey.

Erice Murray and Alan Moresi are two players who look to be ready for backfield duty, while Bob Kleckner will probably take over the kicking chores.

Ed Broome, a speed merchant, was absent early in the week but looks ready to go tonight.

The squad as a whole is in good shape and appears ready to give a good account of itself.

Ol' Prof. Opple, Reckless, Gazes In Crystal Ball

By COACH ERWIN MATTSON

Old Professor Soss Opple is really off to a flying start this year and is hitting them on the nose when it comes to picking the pigskin winners.

This week finds a number of choice games on tap, and some are really tough to pick, but the crystal ball is clear as a bell, so here goes.

PICKS CAL

To start off with a toughie, Pennsylvania rates high but Cal will lower the boom for her next win and a step higher as regards national rating.

U.S.S. hits the win column with a vengeance after a loss to Iowa which left Southern fans gasping.

PITTSBURGH LOOKS GOOD

Pittsburgh pulls an upset under Len Casanova to defeat Ohio State.

Oklahoma lays Texas A. and M. tana, but close.

low, while Oregon defeats Montant, but close.

Stanford drops Oregon State and will be tough all the way with a fine array of fast backs, excellent passing and an All-American in McColl.

The Big Game this year could be the one that decides who will spend New Year's in Pasadena.

LSU STRONG

L.S.U. appears to be strong and should defeat Rice.

Santa Clara comes through with a win over San Jose, but not easy. The Prune City lads are justa step off top flight.

THOSE HUSKY HUSKIES

Washington and U.C.L.A. present a tough one but it's the Huskies of the North as U.C.L.A. puts up a whale of a battle.

Holy Cross over Brown, Villanova over Miami, Michigan over Dartmouth and Minnesota to topple Nebraska.

Long shot is Missouri over SMU, while Navy comes to life to defeat Northwestern.

Mississippi and Boston College in a tie.

CLOSER TO HOME

In Contra Costa circles, the Junior College wins with the Alhambra Alumni the victims. Too much youth, speed and organization will bring no joy to Martinez. The Gazette may well have a black border come Monday's edition!

Diablo High to lose to Oakland High, Pittsburg rolls over and around Tech High, Liberty of Brentwood puts John Swett in the loss column for the first time.

Acalanes meets a toughie in Fremont — but let's give the Dons a 13-12 win.

BE SYSTEMATIC

The gardener who enjoys the best flowers is the systematic one. To get the most out of your fall blooms, keep up the routine of regular irrigating, removing of dead flowers to prevent them from weakening the plants by going to seed, and consistent pest and disease control.

Good Play, But Don't Try It . . .

Although unintentional, it was a good play, but chances are the Dons won't use it again.

Reason: Thirteen-man football teams are strictly against rules and regulations.

After the smoke of confusion had cleared during the third quarter of last Friday night's Acalanes - Albany game at Acalanes, it became apparent that this is what happened, according to Don Coach Erwin Mattson:

Two Acalanes players were sent in as substitutes in the third quarter. With the Dons on the offensive, the two succeeding plays forged ahead — eight yards on one and 10 yards on the next.

After this 18-yard advance, game officials discovered that the Acalanes team consisted of 13 men, the two extras being in the line. In the excitement the two substitute linemen had forgotten to tell the men they were supposed to replace to step off the field.

The situation was promptly rectified, of course, and the Dons were penalized five yards.

But the net gain for Acalanes on those two plays was 13 yards!

Tax Roll Exemption Figures Are Cited

Privately-owned property equal to 5 per cent of the net taxable valuation of Contra Costa County is already exempt from taxation and if Proposition No. 1 on the November 7 ballot is not defeated about 21 per cent more would be taken off the local tax rolls, California Taxpayers' Association declared.

SPORTS

Dons Score 1st Win, 7-6 vs. Cougars

The Acalanes Dons registered their first win of the season last Friday night with the Albany Cougars the victim of a 7-6 count.

The Cougars scored in the second quarter, after a see-saw battle, when Don center Richard Ting heaved the pigskin over the head of Bob Kleckner.

ENSUING MELEE

In the ensuing melee an Albany player miscued and sent the ball goalward when he fumbled an attempted recovery.

Fullback Eddie Greub picked up the oval and raced backwards a la Roy Riegel in an attempt to evade tacklers.

ON 11-YARD MARK

When it was all over Eddie was downed on the eleven-yard mark in the shadows of his own goal posts on a play that started on the forty.

Unfortunately for the Dons the ball was lost as it was a fourth down play and the Albany eleven banged away with quarterback Ken McDonald banging over from the two on a quarterback sneak.

BLOCK CONVERSION

The conversion attempt was blocked on an attempted place kick.

Half-time found the scoreboard reading: Albany, 6 — Acalanes, 0.

DONS SCORE 7

The third frame founds the Dons returning the kickoff to their 40-yard mark and then taking the ball on a series of plays to go the sixty yards to a score in seven plays, with Bob Wickenback crashing over from three yards out and repeating over tackle on the same play when he fumbled and recovered in the end zone for the all-important conversion point to make it a lucky 7.

The Dons threatened on several other occasions but fumbles prevented any further scoring on their part, while an alert defense halted the scrappy Cougars, who fought all the way.

From the Sidelines

Linebacking, Receiving, Confidence All Help Toward Forming Good Eleven

By COACH ERWIN MATTSON

instinct. Like pass defense it is a difficult thing to teach.

Some players seem to just get the knack of it, while others never do, regardless of the amount of drilling on the techniques.

A linebacker senses the focal point of attack and then likes to get right in the middle of it all.

Good linebackers make up for a lot of mistakes in the defensive unit up front.

On pass defense the difficult thing is to get the players to play the ball.

When the ball is thrown all defensive men should make for it and try to catch it or knock it down. Too often defensive men wait for the receiver to catch the pigskin and then tackle him—when most of the time they should have caught the ball or at least interfered enough to keep the other player from making the catch.

IN HIGH SCHOOL getting glue-fingered receivers is a problem, and passers is another. In most cases it is a problem of self-confidence in the individuals.

Confidence is necessary. An individual without confidence in himself seldom has the confidence of others over a very long period of time.

Too much confidence and no ability create problems, too!

IN GENERAL I feel that rule changes are made too often and generally wthout too much thought behind them.

But one new rule with which I heartily agree provides for a colored ball to be used in night ball. The idea is that a colored ball is more visible and creates a contrast to the uniforms.

Report From Sacramento

Schools, Civil Defense Aided – Public Employees Must Now Take Loyalty Oath

By ASSEMBLYMAN
ROBERT L. CONDON

The fourth special session of the legislature called by the governor in two years ground to an adjournment after two weeks. Here is a summary of the more important measures passed:

SCHOOLS—$100,000,000 of the $250,000,000 school bonds authorized by the people in the 1949 election are made immediately available.

In addition, partial allocations to eligible districts will now be permitted so that work can go forward in most of the eligible districts without waiting for their priority number to be reached.

Other procedural changes were made to speed up school building by simplifying the form of application and by easing some technical bonding restrictions.

LOYALTY OATH—A.B. 61 will require an estimated one million public employees to take a comprehensive loyalty oath. Affected are all state, county, city and public district employees including teachers.

This type of legislation was defeated in 1949, but recent international developments, particularly in Korea, changed the thinking of most of the legislature.

In addition, a constitutional amendment will be submitted to the people in 1952 to prevent public employment of communists.

CIVILIAN DEFENSE—Nearly $1,000,000 was appropriated for various form of civilian defense.

Included in this figure are $338,000 for a reserve State Highway Patrol, $12,000 for a Civilian Defense Director's salary, $200,000 for a Civilian Defense Administration and $413,507 for a California Defense and Security Corps.

Moreover the legislature authorized the governor to use up to $75,000,000 from the so-called "Rainy Day" Fund if there should occur actual disaster.

A strong Anti-Sabotage Act, providing for death penalty in some cases, was likewise passed.

The restrictions on the right to possess explosives were drastically increased.

Finally, the civil service and seniority rights of public employees called into service were safeguarded.

MISCELLANY—Measures to provide for aid to the totally disabled were defeated. Since there is now a matching federal grant of $30 per month for each such case, approximately $1,500,000 in federal funds will not come to California. . . . This was the last session for many well known legislators, such as Senators Rich, Swing and Crittenden and Assemblymen Crichton, Bennett and Huyck. They are not seeking reelection . . . . Assemblyman Weber of Stockton is waging a write-in campaign against Assemblyman Hoffman of Lodi for the vacated seat of Senator Crittenden.

Diablo Artists Hear Lofton, Bufano; Association Election Set for 24th

At the general meeting of the Diablo Art Association Richard Lofton of Carmel was guest speaker. Discussion followed, with explanations, criticisms and comparisons on his own work, which he displayed as examples.

Beniamino Bufano, world-renowned sculptor, as special guest, related his ideas. Bufano's entry was an outstanding feature in the Walnut Festival Art Show. He commended the Festival art show as a highly successful project.

Nominating Committee Chairman Edith Dinkin announced the following candidates for election at the next general meeting October 24:

For president, Guernsey Ford, Frank Smith, Hiram Muelendyke; vice-president, Flora Hook, Alice Coleman; executive secretary, Eleanor Condon, Donne Puckle; secretary-treasurer, Marjory Perry, Doris Trahan; membership chairman, Anne Abel, Janice Heitz, Mildred Busby; program chairman, Ben Davis; publicity chairman, Lillian Lytle.

Forum Is Busy With Reupholstering

If there are any members of the Lafayette Forum who are wondering how they can face the coming holiday season with its heavy schedule of entertainment without having a chair or two reupholstered, the Forum's Home Beautiful section recommends that they visit the workshop of the Kustom Studio on Golden Gate Way.

There they will find fellow members busily engaged in recovering everything from large club chairs to favorite heirloom pieces, with professional results obtained through the constant and expert supervision of Mr. Povich and Mr. Brothers of the Kustom Studio.

The present class is at work Tuesday and Thursday evenings from 8 to 10, and visitors are cordially welcome. New classes are being formed now, and anyone interested is urged to call Mrs. E. E. Firestone, Orinda 2391, or Mrs. E. E. Friday Lafayette 2210, chairmen of the Home Beautiful Section of the Forum, for more detailed information.

Symphony Group Planned by J.C.

Plans to organize a community symphony have been announced by John H. Porterfield, director of the Contra Costa Junior College West Campus in Richmond.

Conductor of the musical organization will be Adrian Newman, who will meet the group in weekly two-hour sessions.

Captain Sandford Sez:

HERE IS ONE you will hardly believe.

My wife was riding on horseback with a number of children and they came to a cement mixer in full operation.

Now most horses are not too hot about cement mixers, motor bikes or firecrackers; and usually the operators of such devices accentuate the noises in order to be, shall we say, smart . . . but, believe it or not, one of the men in charge actually offered to lead a child's horse safely past.

So you see, courtesy is evidently not entirely dead yet.

A FRIEND OF MINE who is occupied in the horse business . . . breaking, training and gentling them . . . got kind of roughed up by a horse the other day.

When I asked him how he was he said he was stiff and sore all over and he now thought that he would open a canary ranch, whatever that is.

A LADY FRIEND OF OURS came to ride with us one day. I knew that the services of a baby sitter must have been enlisted to make the expedition possible.

So I said to her, "Who is sitting on your baby?" She looked at me rather strangely.

But I don't think the expression is inept, do you? A baby properly sat on will undoubtedly remain in the same place.

IT SURE DID my old heart good to meet Mrs. Van Meter walking along recently.

We had a little visit, just like old times.

Good-bye, now.

Guests Throng Junior League Benefit

Contra Costa Junior League members had all in readiness for their benefit luncheon and fashion show held Wednesday afternoon at the Art and Garden Center at Walnut Creek, which was thronged with guests from all over the Bay Area.

Casuals for country living as well as more formal attire were featured at the benefit affair with its charming garden setting.

GENERAL CHAIRMAN

Mrs. Richard Humphries of Concord, general chairman of the affair was assisted by Mrs. Richard Week III of Orinda. Mrs. Bruce Anderson was in charge of the fashion features.

Models for this week's program were: Mesdames Alfred Otto, Oliver D. Hamlin, Douglas Chappell, Herbert G. Hills, Jr., Robert W. Hervey, Frank Dunn and Johnson Clark.

OTHER MODELS

Other models who will take their places in the parade of fashions held at similar affairs later in the season include:

Mrs. Lyle York, Jr., and Mrs. Pierce Milton of Orinda; Mrs. Chauncey Pond, Jr., and Mrs. Bruce Hayes of Lafayette; Mrs. Edward T. Henshaw and Mrs. Samuel Hall of Piedmont; Mrs. C. E. Haney and Mrs. John Warnecke of Oakland; Mrs. F. Victor Millar of Sacramento and Mrs. Scott and Mrs. Ridgeway of Alameda. Mrs. Robert Greig is in charge of models throughout the series of luncheons.

Among those League members who assume waitress duties for the luncheons are:

Mrs. Dean Ramsey Underwood, Mrs. Leland Scott, Jr., and Mrs. Bruce Hayes of Lafayette; Mrs. Anderson, Mrs. Carl Abbott and Mrs. James Felchin of Oakland; Mrs. R. Stanley Dollar and Mrs. Lee Kidwell of Walnut Creek; Mrs. Peter L. Swartz of Berkeley and Mrs. Charles F. Lohse of Piedmont.

Out of the Dog House

Well, Say Canines, It's About Time!– National Dog Week Is Being Observed

By LYN McKEE

Last week was National Dog Week.

This event has been sponsored by the National Dog Guild for 23 years. Captain Will Judy was the founder of the organization. Lauritz Melchior, the Wagnerian tenor who has been dubbed the "Great Dane" and who was the 1950 general chairman of Dog Week, has set forth the broad objectives of the group.

First, make dogs more useful and valuable to their owners through emphasis on their proper care and training. Second, encourage respect for the rights of those who do not own dogs.

Accounts of the devotion and service of dogs to mankind have come down through the ages. They have performed, and will continue to perform, heroic deeds and rescue feats. They serve bravely in war. They guard their master's household and livestock. They lead the blind.

Most important of all, they offer companionship and unquestioning love to those who care for them. This gift is offered by all breeds, all sizes and shapes, by purebred and mongrel. It is given to the apartment dweller and to the farmer, to the rich and to the poor, alike.

A dog's faithfulness is governed by no discrimination of race, color, creed, social or economic status. Moreover, the dog adds to life the saving grace of many a man's troubles — good-natured humor.

May man observe the dog and pay just tribute to him.

THE MT. DIABLO Dog Training Club held its September meeting at the McKee home. We loved every minute of it — the dogs, the children of members, the whole, warm, happy confusion of it.

We were pleased to have three guests at the meeting: Mrs. Francis Sitek, who brought one of her miniature Schnauzers; Mrs. Helen Lumm, who owns Schnauzers, and Joe Simpson, known to all dog show and obedience people, who came to help with the dog drill rehearsal for the Walnut Festival.

THE DRILL was presented September 23 and 24, and turned out to be a striking performance. Joe directed it and five members of the Dog Club participated. In addition to the drill, Kay Wahl did some obstacle work and retrieving with her Cocker, Sally, and Adaley Robinson put her snappy Schnauzer, Chief, through Open and Utility work, with fine precision.

Then came Joe Simpson with his German Shepherd, Aufra. Few had ever viewed a demonstration of protection and attack work, but those who saw the exciting performance of Aufra at the Festival will talk about it for weeks to come.

Pete Della-Vedowa, armed with a stick, a pistol with blanks and a well-padded arm shield, acted as the victim. At Joe's command, Aufra went after Pete ferociously, but ceased the attack when she was told to, and took up a guard position over the "prisoner."

Following the demonstration, Aufra walked calmly around the circle of spectators, wagging her tail as the children swarmed to pet her. She is a nine-year-old veteran of World War II and can take anything in her stride.

WE'RE SORRY to hear that Lin Sperry's dog, Dots, was hit by a car on Orchard Street last week, and was critically injured. Please, please, you drivers, take care and guard against two evils — injuring an animal and breaking a child's heart.

THERE IS REJOICING in the La Salle home. Lorraine's dog, Topper, who had disappeared, was returned by the finder through the "lost" ad which appeared in the paper.

MRS. RONALD L. OLSON, owner of Las Trampas Kennels in Lafayette, spent a busy time at the recent Redwood Empire Show in Petaluma.

She was asked to do all the Cocker Spaniel judging in the show, which must have been quite an undertaking.

Pack 32's First Meeting Changed to Oct. 13; Dens Start Year's Activity

A change of date to October 13 for the first meeting of Orinda Cub Pack 32 has been announced following a meeting of committeemen Monday night at Orinda School.

Since availability of the school auditorium is not certain, the meeting place for the pack will be announced next week, according to James Brown, publicity chairman.

Hereafter, pack meetings will be held the first Friday of every month, Brown reported. This year definite themes have been worked out for the pack meetings with the ideas also carried through in each den at its sessions.

INDIAN THEME

"Indian Summer" has been designated the basis for this month's program which will be carried out to elaborate the Indian theme. "Pilgrims and the Harvest, Leading to Thanksgiving" has been chosen as the November theme, and December's project will concern Christmas baskets and gifts.

The following list of den mothers for October was announced: Den 1, Mrs. Rasmussen; Den 2, Mrs. Irene Teachout; Den 3, Mrs. Sig Groennings; Den 4, Mrs. Jim Lucas; Den 5, Mrs. W. E. Eller; Den 6, Mrs. Ralph Phelps; Den 7, Mrs. N. Thurston; Den 8, Mrs. David Lee; Den 9, Mrs. Barbara Moorehead; Den 10, Mrs. W. C. Branch.

ELECT DEN OFFICERS

Den 3 held its first meeting September 26 at the home of Den Mother Mrs. Sig Groennings. Election of officers found Martin Smith elected denner; Arne Groennings, assistant denner; Ricky Davis, keeper of the buckskin; Warner North, keeper of the wampum; Tommy Miles, flag bearer, and Cebe Wallace, sergeant-at-arms.

As their den project, the cubs have adopted a boy at Weimar to remember with gifts and cards on special occasions throughout the year. The den members also worked on scrapbooks which are to be sent to the children at Weimar.

Den 1 held its session at the home of Mrs. R. Rasmussen on Monday. The group made plans for the year ahead and elected the following officers: Steve Rasmussen, denner; David Brown, assistant denner; Gary Bottjer, keeper of the wampum.

Lee Wendelbo entered Den 1 as a new member following his transfer from an Oakland cub pack.

Appointed from scouting ranks, Dave Oakley will serve as den chief for this group for the year.

Nancy Clark Will Be Bride Oct. 14

Wedding invitations are being mailed to relatives and friends of Nancy Carol Clark and James D. Raymond, Jr., both of Lafayette, who plan to marry October 14, at 2 p.m., at Saint Augustine's Church in Berkeley, Father Rasmussen officiating.

Immediately afterward a reception will be held at the American Legion Hall in Lafayette.

ACALANES GRAD

Nancy is a graduate of Acalanes High School and Jim was graduated from University High School, Oakland, after which he enlisted in the U. S. Army and served three years in various states and Alaska. He is now employed by the University of California in the Life Science Department.

Nancy plans to have her sister-in-law, Mrs. Donald Clark of Concord as her matron of honor, and Miss Marianne Malley of Lafayette as her bridesmaid.

BEST MAN, USHERS

Jim has chosen Stanley Carlson of Berkeley as his best man, and serving as ushers will be William Fox, Jr., and Nancy's brother, Donald.

It will be a formal afternoon wedding.

The young couple plan a brief honeymoon, after which they will occupy an apartment in Berkeley.

PARTIES GIVEN

Several parties in honor of the bride-to-be are being given in Lafayette, and also in Berkeley and Oakland.

Jim is the son of Mr. and Mrs. James D. Raymond of Glenside Drive. Nancy is the daughter of Mr. and Mrs. Don V. Clark of Walnut Avenue.

New Members To Be Inducted by Pack 52 Tonight

Induction of new members will highlight the first Fall meeting of Orinda Cub Pack 52 tonight at Orinda School, according to Bob Anthonisen, publicity chairman.

Handicraft of the various dens will be on exhibit and each den will have a representative tell of his group's weekly activities. Refreshments will be served by den mothers and cubs of Den 2.

All interested persons are invited to attend pack meeting and parents are especially asked to be present at the monthly sessions.

SCOOTER ACCIDENTS

Motor scooter accidents in cities killed about 65 persons and injured 5,000 in 1948. More than half the injured riders were 15 to 19 years of age, and only 5 per cent were women.

Romola Castro Wed To Peter Janopaul

Romola Marie Castro, direct descendent of Dan Francisco Castro, who owned much of the land adjacent to Orinda in the early days, became the bride of Peter Janopaul, Jr., at Newman Chapel, University of California, Saturday.

Don Castro settled on the early Spanish grant, Rancho San Pablo, in 1823. Rancho El Sobrante and Rancho Yerba Buena, the present Yuerba Buena Island, were also owned by the Don in early days.

The Castros are also descendants of others whose names are famous in California history, the Vallejos, the Martinez family, the Carillos, the Peraltas and the Alvarado families.

Previous plans for a next spring wedding were changed last week when Mr. Janopaul was ordered back to active duty by the U. S. Marine Corps. He held the rank of lieutenant with the Marines in China in World War II. The benedict was a student at the College of Engineering of University of California, where the couple first met.

Dr., Mrs. Groves Back from N.W.

Dr. and Mrs. Murray Groves returned last Friday from a three weeks' motor trip which they took with their old friends, Mr. and Mrs. Sidney Barton of Alameda.

They visited a few days with the Bartons' daughter and family on their 1,000 acre wheat farm in Idaho and were greatly interested in seeing all their modern equipment used in tilling, planting and harvesting their huge crops.

SNOW-COVERING

Yellowstone Park, they thought, was particularly beautiful under its three to four inch covering of snow, with the steam from the geysers almost frozen. Begging bears and groups of elk and moose made fine camera subjects. They thought the Grand Coulee Dam well named one of the seven wonders of the world.

An interesting part of the return trip was following and driving through the old bed of the Columbia River, which plainly indicated how thousands of years ago it was the father of all the rivers that came down from Canada to empty into the sea. Before long this will be made into a great reservoir with water pumped from a dammed part of the Columbia.

MT. SPOKANE'S TOP

Near Spokane the group visited friends and celebrated the doctor's birthday and took a drive to the top of Mt. Spokane, from which they could see 14 lakes set in the midst of beautiful timbered country and jagged mountains.

They followed the Columbia River to Portland, and then went to Corvallis and through the campus of the college Murray Groves had attended.

The Redwood Highway climaxed the vacation trip, which Dr. Groves said was the best and the longest one he had had in 25 years.

Nesbitt Talks To Cinema Circle

Richard Nesbitt, director of dramatics at Acalanes High School, gave the opening address for the first meeting of the Berkeley Cinema Circle Wednesday evening in the Berkeley Women's City Club.

The film program for the evening included: the animated experimental "Proem," the psychological film "Hypnotic Behavior," an American folk classic, "To Hear Your Banjo Play," John Grierson's famed documentary "Night Mail" and an Indian fantasy "The Loon's Necklace."

Here and There in Orinda

Section 5 Party Tuesday Evening

Section 5 of the Women's Guild will have its benefit card party with the playing of bridge or canasta next Tuesday evening at the home of Mrs. John Ogden, 19 Piedmont Avenue.

Co-hostesses will be Mesdames Ken Hauter, K. Swift, R. M. Gilwee and Paula Collings. Mrs. F. H. King, Orinda 2302, is reservations chairman. The cost per person is 50 cents.

Betrothal to Orindan Told

The engagement of Dorothy Rokusek of Alameda to William Edward Thompson was announced to the bride-elect's Alpha Phi sorority sisters at San Jose recently.

Dorothy's parents are the Frank Rokuseks of Alameda. Bill, son of Mr. and Mrs. Addison H. Thompson of Glorietta Boulevard, is a member of Theta Delta Chi at University of California.

Mrs. Brown Visits Her Daughter in Sacramento

Mrs. G. Chester Brown spent a happy weekend visiting her daughter and family in their Sacramento home.

Phone Co. Asks New Rate Hike; So Does PG&E

On file with the State Public Utilities Commission this week was a petition from Pacific Telephone and Telegraph Company for new rate increases.

Filed as the commission opened hearings in San Francisco last week on the phone company's request for a $30,000,000 rate boost, the new request asks $5,837,000 more.

At the same time, Pacific Gas and Electric Company filed a petition for $2,721,000 in increased rates for natural gas, to be added to its plea for a $15,554,000 hike which was filed last June. Hearings on the P.G. & E. requests are scheduled to start next Wednesday.

Both companies gave tax increases as their main reason for their new applications.

If the phone company's latest request is granted, it is estimated that residence phone rates would average a 90-cent monthly hike, and business phones a $1.65 monthly increase.

Naval Reserve Officers Aided At WC Festival

During the past year some 65 Naval Reserve officers in this area have organized Volunteer Composite Unit 12-25.

This group arranged for the Navy's participation in the Walnut Festival recently. This included several floats and a band and drill team in the Sunday parade and a number of special exhibits on display at the ball field.

Local officers in charge of arrangements included Commander E. B. Gamble, Lieut. Commander Horace Breed, Lieutenant Willard Johnson, Lieut. Comdr. F. E. Kelly, Lieutenant Jack LaRue, Lieut. Comdr. P. L. Rasmussen and Lieut. Tom Heaton.

Lieutenant W. R. Harper is commanding officer of the Walnut Creek Naval Reserve unit.

FIRE DANGER

Until winter rains start, California fields and forests will continue to be tinder-dry and the forest fire hazard will be great. Therefore, urges the California State Automobile Association, make it an invariable rule to use your car's ashtray to dispose of cigarettes, cigars and pipe ashes, whether driving in the city or country.

Don't Say Ho-Hum, Because It's Hi-Ho

The cycle of youngsters' birthday celebrations continues unabated in Orinda. No matter how many parties there are, each event is something new and special.

Here are some recent juvenile shindigs emphasizing those two facts.

CAROL MARCH

Carol March entertained her Brownie Troop, all in Brownie uniform, Monday, October 2, in celebration of her eighth birthday. They had dinner and went roller skating. Those attending were: Cindy Rasmussen, Patty Ann Brown, Carolyn Cullen, Joan Borden, Jane Loman, Rachel Zamora, Ginny Gibbons, Janice Twining, Saundra Thurston, Susan Jensen, Susan Donovan and Susan Kisner.

PETER TELFER

Peter Telfer was nine years old Sunday, October 1. Three of his friends joined him for lunch at the Country Club followed by movies.

SALLY TWINING

Sally Twining celebrated her sixth birthday Saturday, September 30. Seventeen of her first grade friends joined her for lunch, which all the children thoroughly enjoyed—hot dogs and ice cream cones being the special treats.

JENNIFER DAVY

Jennifer Davy had a cowboy party Saturday, September 30, the occasion being her fifth birthday. Her guests came for lunch and then went to Tilden Park where in true cowboy style they rode the merry-go-round and the ponies. Those joining her were Laure Hupp, Paul Rieger and Susan and Teddy Schilling.

RANDY MARTIN

Randy Martin was six years old September 30, and had 12 of his friends join him in lunch and movies. Those attending were Calrinda Telfer, Vicky Schacht, Donna Stahle, Betsy Merrill, Lorna Wallace, Steve Miller, Greg DeWitt, Stan Duncan, and Steve and Allen Sorrick.

Hold Discussion On Girl Scouting

A tea was held at the home of Mrs. C. M. Johnson of Charles Hill Road last week for the mothers of Girl Scout Troop 46.

Mrs. John Gompertz, leader of the troop, held an informal discussion on Girl Scout policies and the activities in which the troop will participate in the coming year.

Brownies, Girl Scouts Set for Season

At the present time 14 Orinda Brownie Scout and Girl Scout troops are ready to begin their Fall programs.

Third grade troops are under the leaderships of Mesdames R. P. Rasmussen, Frank Dutra, Joseph Lang, R. F. Tharp, B. P. Olsen, Fred Twining.

Fourth grade troops: Mesdames Robert Elder, George Matey, Fred Kronke, B. Wiseman.

Fifth grade troops: Mesdames John Gompertz, Melvin Nickerson.

Sixth grade troops: Mesdames Henry Jamison, L. B. Boyer.

Seventh grade troops: Mesdames Louis Ambler, Warren Pollock.

Any inquiry as to membership in Brownie or Girl Scouts should be directed to Organization Chairman Mrs. Louis Ambler, 220 El Toyonal, Orinda 8463, for the Orinda School area, or Mrs. Arthur Bowman, 62 Orchard Road, Orinda 2592, for the Glorietta School area.

Buchanan Has Heart Attack

William J. Buchanan, 83-year-old chairman of the Board of Supervisors, was in Pittsburg Hospital this week, following a heart attack September 28. He was reported in serious condition Wednesday night.

In Buchanan's absence, Supervisor S. S. Ripley of Richmond served as chairman pro tem at Monday's board meeting in Martinez.

Mrs. Don Stevenson Appears on TV Show

Interviewed as "the sweetheart of El Nido," Mrs. Don Stevenson of Hough Street appeared on Les Malloy's TV show Wednesday afternoon over Station KGO-TV.

Do you realize how much it costs when you go through the Tunnel to shop?

District Meeting For Girl Scouts At 10 Wednesday

Mrs. Vernon Axelson, Orinda community chairman of the Girl Scouts, announces a district meeting to be held at the Community Church next Wednesday at 10 a.m.

Mrs. Donald Krotz will be present as a representative of the Diablo Valley Area Girl Scout Council to answer any questions.

Mrs. Axelson urges anyone interested in Brownie Scouts and Girl Scouts to attend.

Park Pool Party For Tommy, 10

Tommy, son of Mr. and Mrs. W. H. Thurston of 33 South Trail, celebrated his 10th birthday Sept. 30 with a party at the Park Pool, to which he invited his friends Arne Groennings, Bobby Bailey, Paul King, Mac Waddell, Peter Cooper and Dickey Schreiber, besides his brother John and sister Carol.

Some of the boys went in swimming, and all enjoyed the picnic supper and barbecued wieners and lots of other good things which Mr. and Mrs. Thurston lavishly provided.

Going Fall Hunting? Here Are Rules—

The Division of Fish and Game reminds California's sportsmen of the following general regulations which apply to current hunting and fishing.

DEER — Ends October 15 in Sierra, north coastal, and Modoc-Lassen areas. Bag limit: two bucks in north coastal area; one buck elsewhere; no forked horns in northeastern California section.

BEARS — Ends December 31. Bag limit: one bear per season. Only one dog per hunter may be used between September 16 and October 15.

BRUSH AND COTTONTAIL RABBITS — Ends December 31 in Districts 4, 4-1/8, and 4¾; November 18 to December 15 in District 1¾; November 18 to December 31 in balance of state. Bag and possession limits: four per day.

JACK RABBITS — Ends December 31 in Southern California Districts 4, 4-1/8, 4¾, 19, 20 and 22. No closed season in balance of state. No bag limit.

PIGEONS — September 16 to September 30 and December 17 to December 31. Bag and possession limits: eight per day. Shooting hours: from one-half hour before sunrise to sunset.

TROUT — Ends October 31. Bag limit: 15 trout, salmon, or Rocky Mountain white fish, but no more than 10 pounds and one fish. Local exceptions.

CLAMS— Ends April 30 in Humboldt and Monterey Bay areas. No closed season elsewhere. Bag limits: 30 razor; 10 big neck; 10 Pismo; 10 Washington. No limit on jack knife clams.

COCKLES — Ends April 30 in counties north of San Luis Obispo County. No closed season elsewhere. Bag limit: 50. Minimum size limit: one and one-half inches in diameter.

SCALLOPS — No closed season. Bag limit: 50. Minimum size limit: two inches in diameter.

FROGS— Ends November 30. Bag limit: 24 per day, 48 per week. Size limit: none under four inches from tip of nose to crotch. No license required.

Sewer Board Scans Continued Items

Central Contra Costa Sanitary District board members were scheduled to hold a regular session last night as the SUN was going to press, with several hold-over matters on the agenda.

It was expected that further consideration would be given to a request for board decision on restoration of Marty Lane, made by request of Sidney A. McGah.

A request of C. Garibotti for setting of the charge for connection of a parcel of land to the sewer now serving Planters Dock was to be given further consideration at this meeting, following a suggestion by Director Elliott Johnson at the previous session that the board should acquaint itself more fully with zoning regulations for the area. Garibotti's former request for setting of charges for six parcels of land has been changed to one, fronting on Burton Road.

In a report drawn up from a census count of houses in the district, Engineer-Manager John Mason reports that there are over 1,200 homes now under construction in areas encompassed by the sanitary district and that an estimated 1,500 persons a month move into the district.

Records of sewer connections in newly completed homes indicate that more than 300 a month are being occupied as the record growth of the area continues.

You and Christ? Sermon on Sunday By Rev. Berven

"What Do You Think of Christ?" This question will be Pastor Luther Berven's sermon topic for Sunday at Our Savior's Lutheran Church.

Morning worship at 10:45 a.m., with the Junior Service and Sunday School at 9:30 am.

The women of the church mte next Tuesday evening at the church. The program will be centered around missionary activities since October is Missions Month in the Evangelical Lutheran Church.

A Senior Lutheran League will be organized at a meeting to be held at the parsonage at 7:30 p.m. this Sunday evening.

Last Sunday evening members and friends of the church surprised Pastor and Mrs. Berven with gifts of canned goods and money. After the group had enjoyed a potluck supper, a program consisting of singing and movies was presented.

Drive carefully—the life you save may be your own.

Health Group Hears Dr. Blum

The executive committee of the Contra Costa Public Health Association at its recent meeting in Martinez heard Dr. H. L. Blum, county health officer, outline activities and responsibilities of his department and some of the current problems in the area under his jurisdiction.

By action of the committee, Dr. George Degnan, medical director of the County Hospital, was extended an invitation to become an ex-officio member of the Association's board of directors.

James D. Ryan, president, was chairman of the meeting. Others present were Mrs. George Vurek, second vice president; Marion Snodgrass, secretary; E. C. Gunderson, treasurer; Mrs. Chester Hook, W. O. Barnes, John Rock, Leon F. Rahn, Ethel Frances Murray, executive secretary, Mrs. Lenore Crane and Mrs. Mary Johansen.

Rev. McGuire New College Chaplain

Replacing Rev. George E. Moss, who has been recalled to active duty by the Army Air Force, Rev. William McGuire, formerly an assistant pastor at St. Thomas Aquinas Church in Palo Alto, has arrived at St. Mary's College to assume his new duties as student chaplain.

Plan Banquet for St. Mary's Head

A testimonial banquet honoring the new president of St. Mary's College, Brother Walstan Thomas, F.S.C., will be held October 24 in the Gold Room of the Fairmont Hotel in San Francisco.

John F. Henning of San Francisco is general chairman of the affair which is being sponsored by the St Mary's College Alumni Association. the St. Mary's Guild, the St. Mary's Club of San Francisco, the Associated Students of St. Mary's and other groups allied with the Brothers of the Christian Schools.

Speakers Arrive for Jewish Welfare Meet

Eleanore Levenson, noted foreign correspondent, and Captain E. M. Ben-Dror, prominent Israeli military figure, both of whom have just arrived in this country from the Holy Land, will share the platform October 8 at the Jewish Community Center when they address a special meeting of the Jewish Welfare Federation.

The special meeting is intended to rally support for efforts of the United Jewish Appeal to speed the transfer of these Jews to Israel.

Your Garden

By Doing Thorough Job Now You'll Have Lots of Long-Lasting Perennial Blooms

By BERT WRIGHT

HAVING PLENTY of colorful perennial flowers around the yard is an easy way to have lots of blooms without having to sow seed or set out plants each year.

The perennial border stays put for several years, so when establishing it, do a thorough job.

DIG IN a generous amount of organic material such as peat moss or compost, as well as liberal application of complete plant food.

While you are doing the heavy work of soil preparation have your wife (or husband as the case may be) do a bit of high class panhandling among your friends and neighbors who have established beds of perennials. Most folks will be glad to give you some plants.

HARDY PHLOX produces giant heads of blooms and many lovely colors. Planted in groups of at least three plants and with the grouping repeated in regular intervals, summer color in your border is assured.

Cut Phlox roots into two inch lengths and plant them in an upright position with the top about half an inch below the surface.

Oriental poppies, gypsophila and blue anchusas can also be increased in this manner.

FOR MICHAELMAS daisies or hardy asters, which increase tremendously in favorable seasons, the whole root should be lifted, and the ring of plantlets surrounding the old central root should be the only parts used.

Even though chrysanthemums are about to bloom, large clumps can be separated and transplanted now. Give them special attention with the sprinkling can to insure flowering.

START BULBS in pots for indoor winter bloom now. Roman hyacinth, narcissus, fresia, crocus and Chinese lily force especially well.

Plant them in pots or bowls of soil, with the bulb just below the surface. Place the pots in a cool, dark place for about six weeks. Then move to a sunny window.

SEED DOWN the vegetable garden with a rye or rye and vetch cover crop, raking the seed in after sowing it.

This will keep the garden from washing this winter and will provide a good supply of organic matter to turn under next spring.

Diamond K Sez . . .

REVITALIZING A LAWN calls for complete, balanced feeding, weed control and the reseeding of thin areas.

Start by feeding your lawn a balanced complete meal of commercial fertilizer at the rate of approximately 5 pounds per 100 sq. ft. Be sure the grass is dry upon feeding and try to get an even distribution of the fertilizer.

After feeding, either take the back of your rake or the fine spray of your hose and knock all of the fertilizer off of the blades of grass and follow this with a thorough soaking. Let your lawn rest a few days, then go over your lawn and with your rake, loosen the soil in all of the thin areas.

The next step is to reseed the thin areas with a good brand of grass seed. Then after raking the seed in, ever so lightly, roll or tamp the reseeded areas back to firmness and keep moist until germination of the seed is complete.

WE AT DIAMOND K are ready to help you with your lawn work as we carry a complete line of commercial fertilizers, Vigoro, Gaviota, Milorganit, etc. and only the finest of lawn seeds. Rollers and spreaders are available for the asking and are loaned free of charge.

LAST WEEK in speaking of preparing for wet weather we neglected to mention painting. Have you painted those projects you built this summer. There is not a better investment to be made against weather and wear than paint.

We carry a complete line of Pittsburg paints as well as Cabots and other redwood stains. Drop in and browse through our paint department.

LEGAL NOTICE

NOTICE OF THE PROPOSED ANNEXATION OF TERRITORY TO THE ORINDA COUNTY FIRE PROTECTION DISTRICT IN CONTRA COSTA COUNTY

Before The Board of Supervisors Of the County of Contra Costa, State of California

In the Matter of the Annexation of Certain Property to the Orinda County Fire Protection District RESOLUTION OF INTENTION TO ANNEX

WHEREAS, the hereinafter described property has recently been withdrawn from the Eastern Contra Costa County Fire Protection District; and

WHEREAS, it is deemed advisable that said property be annexed to the Orinda County Fire Protection District.

NOW, THEREFORE, BE IT RESOLVED that it is the intention of the Board of Supervisors of Contra Costa County to annex said hereinafter described property to the Orinda County Fire Protection District.

BE IT FURTHER RESOLVED that Monday, the 23rd day of October, 1950, at 10 o'clock a.m., be set as the time and place for hearing said matter of annexation and that the Clerk of said Board publish notice of said hearing once a week for two (2) weeks in "Orinda Sun," a newspaper circulated in the territory which is proposed to be annexed, and which is most likely to give notice to the inhabitants of the territory.

The property above mentioned is more particularly described as follows, to-wit:

Beginning at the most southerly corner of Lot 83 as shown on the map entitled, Moraga Woodlands, Unit No. 2, filed October 21, 1937 in Map Book 22 at pages 641 to 644 inclusive, Office of the Recorder, Contra Costa County, California; thence northeasterly along the southeast line of said subdivision and along the northeasterly extension of said southeast line to the northeast line of County Road B-31, known as Moraga Highway; thence southeasterly and southerly along the northeasterly line of said Moraga Highway to a point which bears N 40° 22' 50" E 21.51 feet and N 62° 00' 15" E 60.0 feet from the most easterly corner of Lot 78 as shown on the map entitled, Moraga Del Rey Unit No. 1, filed May 24, 1946 in Map Book 29 at pages 27 to 37 inclusive; thence S 62° 00' 15" W 60.0 feet and S 40° 22' 50" W 21.51 feet to the most easterly corner of said Lot 78; thence southwesterly along the southeasterly lines of Lots 78, 79, 80, 81 and 82 to the most southerly corner of Lot 82; thence northwesterly along the southwest line of said Lot 82 to the southeasterly line of El Camino Moraga as show on the said Map of Moraga Del Rey and Moraga Del Rey Unit No. 2, filed August 11, 1948 in Map Book 35 at pages 34 to 37 inclusive; thence southwesterly along the southeasterly line of said El Camino Moraga to the intersection thereof with the extension southeasterly of the southwesterly line of Lot 75, as shown on said map entitled Moraga Del Rey Unit No. 1; thence northwesterly along said southeasterly extension and along the southwesterly line of said Lot 75 to the most westerly corner thereof; thence continuing northwesterly along the westerly line of said Moraga Del Rey Unit No. 1 to the most westerly corner of Lot 65 of last mentioned map, being also a point on the northerly line of the 168.4 acre tract deeded to William Spivock, et ux, April 26, 1946 and recorded in Volume 890 of Official Records at page 432; thence following the northerly line of said 168.4 acre tract; S 14° 07' 18" W 764.65 ft.; S 60° 28' W 700.0 feet; N 81° 36' 39" W 1988.61 feet to a point on the western boundary line of the Rancho De Los Palos Colorados; thence northwesterly along the western boundary line of said Rancho to the most southerly corner of Lot 68 as shown on aforesaid map of Moraga Woodlands, Unit No. 2; thence northeasterly and southeasterly along the southerly boundary of said map of Moraga Woodlands Unit No. 2 to the point of beginning.

Excepting therefrom that portion of P. G. & E. property described as follows: Beginning at the most westerly corner of Lot 65 as shown on the above mentioned map of Moraga Del Rey Unit No. 1; thence S 14° 07' 18" W, 764.65 feet; S 60° 28' W, 700.0 feet; N 81° 36' 39" W, 1988.61 feet to a point on the western boundary line of the Rancho Laguna De Los Palos Colorados; thence northwesterly along the western boundary line of said Rancho to the southwesterly line of Lot 36 as shown on the map entitled "Lost Valley Estates," filed September 25, 1947, in Map Book 33 at Page 49; thence southeasterly and northeasterly along the southerly line of said Lost Valley Estates to the westerly line of Lost Valley Drive as shown on last mentioned map; thence southeasterly and northeasterly along the southwesterly and southerly line of said Lost Valley Drive to the westerly line of Don Gabriel Way as shown on last said map; thence southeasterly along the westerly line of said Don Gabriel Way to the northerly corner of aforementioned Lot 65 of Moraga Del Rey Unit No. 1; thence southwesterly along the westerly line of said Lot 65 to the point of beginning.

Passed and adopted by the Board of Supervisors of the County of Contra Costa, this 25th day of September, 1950, by the following vote, to wit:

AYES: Supervisors S. S. Ripley, H. L. Cummings, Ray S. Taylor, W. J. Buchanan, J. Frederickson.

NOES: Supervisors None.

ABSENT: Supervisors None.

I HEREBY CERTIFY that the foregoing is a true and correct copy of a resolution of the Board of Supervisors passed and adopted by said Board of Supervisors at its regular meeting on Monday, September 25, 1950.

W. T. PAASCH
County Clerk and ex-Officio Clerk of the Board of Supervisors of the County of Contra Costa, State of California

Fairyland Hours Changes Made

Children's Fairyland in Lakeside Park, Oakland, is now open from 10 a.m. until 6 p.m. Wednesdays through Sundays.

"With the opening of school and the shorter daylight hours the new schedule has been established so that mothers with pre-school children may enjoy Children's Fairyland earlier in the day," J. Vendes Mann, vice-president of the Park Board, explained.

CHECK WIRING FIRST

Motorists have spent considerable money in buying new bulbs and putting them into the sockets before checking for the trouble, points out the National Automobile Club. Source of the trouble most likely is a loose connection. Starting with the battery terminals, a check of the various connections usually will quickly disclose which is responsible.

'You Touched Me' Rehearsals Held By Playshoppers

Don't forget "You Touched Me!" The Lafayette Playshoppers are play-shopping their heads off to give you a bang-up performance of this Tennessee Williams romantic comedy on October 20, 21 and 28.

Rehearsal schedule has reached the two-nights-a-week stage. The scenery, a tricky two-room set on two levels, is under construction. A puzzling assortment of properties is being accumulated, ranging in nature from a penny flute to a pair of butterfly garters.

Problems of costuming a Canadian Air Force bomber pilot, a British tommy and an Episcopalian minister are under discussion.

And if you and your neighbors are reading this and making a play date note in your minds, then the necessary publicity is well under way.

All this might reassure Director Leroy Sowers, if he were in need of reassurance. However, we are happy to report that he has not lost his outward calm, to date.

Fashion Show to Display Latest Dress—of 1823!

A most unusual "fashion show" will highlight the Lafayette Forum's October tea, to be held October 11 at 1 p.m. in the Town Hall.

Not a Dior original or a Schiaparelli will be seen, for the gowns featured will be of the incredibly lovely brocades, taffetas and moire of another century, from the well-known collection of Mrs. F. W. Gehrig of Montclair.

300 GOWNS—200 HATS!

Mrs. Gehrig's hobby has grown into one of the finest and most complete collections of its kind in the country, and perhaps in the world, containing 300 antique gowns, all with authentic accessories, including 200 hats and innumerable petticoats, bustles, shoes, "undies," mitts, fans and an assortment of other frills of a century or more ago.

Mrs. Gehrig plans to show an antique moire worn in the court of Queen Victoria in 1845 by Harriet Gilby and subsequently obtained by her great-great niece; a riding habit of black wool, with buttons of jet and inlaid pearls, dating back to 1878; an 1823 evening dress of handwoven brocaded silk, to be modeled by Mrs. Gehrig; a wool challis worn by a sweet girl graduate of Vermont in 1858 and many other gowns from her fabulous collection.

STORIES OF DRESSES

Mrs. Raymond Roberts will act as commentator, giving descriptions and stories of each dress shown. Modeling will be Mesdames Milton Adair, L. A. Frank, Virginia Garevich, J. P. Herrmann, Fred Huston and Mel Neilsen.

General program chairman is Mrs. C. J. Herman; program chairman of the day, Mrs. E. E. Firestone; general tea hostesses, Mesdames R. E. McQuary and W. E. Deitrick; tea hostess of the day, Mrs. J. E. Dunn, assisted by Mesdames Kora Powell, Frank Latone, Norman Rotermund Margaret Openshaw and Florence Morgan.

If you love children — yours and your neighbors' — slow down when you drive home today.

Blood Donor Day Is Next Thursday

Blood Donor Day for this area is next Thursday, October 12.

That's when the Mobile Unit of the Stockton Regional Blood Procurement Center of the Red Cross will come to Walnut Creek. Starting at noon and until early evening you can donate a pint of blood at the Veterans Memorial Building in Walnut Creek.

Mrs. Arthur Wagstaff, chairman of the blood donor committee, stresses that the Korean situation has made the need urgent. Donations are also used for civilian needs.

You can make an appointment by phoning Walnut Creek 2647; if you need transportation, arrangements will be made to pick you up and take you home.

You'll be welcome, though, without an appointment. But don't eat any fatty foods for four hours before going.

In our neighborhoods, please drive carefully. How fast can you stop if a child runs into the street in front of your car?

The Kids Will Know!

In the Week of October 8th to 14th,

FIRE PREVENTION WEEK

the school children of Lafayette elementary School District will learn the fundamentals of Fire Prevention from a "Haunted House" quiz made available by this agency and the Hartford Fire Insurance Company.

If your youngster comes home with an anti-fire suggestion, we urge you to listen. It may save you plenty of trouble later on.

For further Fire Prevention information and for dependable insurance against loss due to unavoidable fires, call on me today.

Crusade for Freedom Rolls in County

When the 20-ton Freedom Bell, symbol of America's Crusade for Freedom, peals out in Berlin on United Nations Day October 24, names of many thousands of adults and children of this area will be among those of millions on the Freedom Scroll which will be permanently enshrined in the base of the bell.

With the aim of strengthening the voice of Radio Free Europe and its answer to communism's lies about America's aims, the Crusade for Freedom has steadily gained nationwide momentum since its launching September 5.

October 16 is official closing date for the Crusade for Freedom drive

From the schools in the county, thousands of signatures — some in the uncertain lettering of primary grade children — will be added to the scroll by October 14, according to County Schools Superintendent B. O. Wilson.

Scrolls and donation containers have been placed in all schools. Additional supplies may be obtained from Ralph Harris, member of the County Department of Education staff, who is assisting Walter T. Helms, county chairman of the Crusade for Freedom.

Members of the County Board of Education, the county staff and teachers have also signed the Freedom scrolls.

In Lafayette, places where the scroll can be signed, financial contributions can be made and lapel emblems be received include: Central Bank, Keen's Restaurant, Dime and Dollar Store, Jim Shierry, Ben Franklin, Crystal Fountain.

PTA Arranging Child Care Plan

To work out a plan for more efficient child care during P.-T.A. meetings, 30 members of the board met at the home of P.-T.A. president Mrs. R. P. Tolles on Thursday morning of last week. The new system will be announced before the next regular meeting in November.

No afternoon meeting is scheduled for October, because the evening of October 12 is set aside for the teachers' reception at Acalanes High School gym. The Dad's Club plans to provide a program for this joint meeting, while the P.-T.A. will supply refreshments. Mrs. John A. Athanson, hospitality chairman, will head the affair.

Ten P.-T.A. members were assigned by Mrs. Don Kesselring, exceptional child chairman, to join the teachers in a series of "gifted child" conferences being offered the Lafayette School District through the Contra Costa County superintendent's office.

Dr. Leo J. Cain, director of special education at San Francisco State College, will conduct the monthly meetings, which will start October 17.

Playlet Enjoyed By PTA Members At Monthly Meet

Highlight of the monthly P.-T.A. meeting September 28 was a playlet previewing the Westival, written and conducted by Wilma and Joe Connor.

The stage was set as a country store, with a long clothing counter complete with a dummy of a child, a crystal ball, a ticket booth, a bargain table and book counter.

THE CAST

The cast included:

Auctioneers, Mrs. Beverly Pahl and Jack Schneider; clothing dummy, Mrs. Liz Adair; fortune teller, Mrs. Eleanor Rafael; makeup artist, Mrs. Miriam Williams; apron seller, Mrs. Helen Spragens; novelty seller, Mrs. Iris Teuscher; country storekeepers, Mesdames Helen Nobel and Fran Athanson.

Ticket seller, Mrs. Clarice Kreager; wagon woman, Mrs. Leslie Underhill; book sellers, Mesdames Jane Kesselring and Barbara Benson; green thumber, Mrs. Exine Logan.

Children's clothing, Mrs. Lucille Hamlin; cash collector, Mrs. Donna Planz; cook books, Mesdames Katy Tussing and Martha Johnson; customer and child, Mesdames Nell Telles and Alice Bridges.

DOGGEREL VERSE

The 15-minute sketch was rendered in doggerel verse and received with hilarious applause.

Afterward the members met teachers, and enjoyed cider and doughnuts.

Patronize Hometown Merchants.

What Lafayette People are Doing...

Local Women at Monthly Meeting Of Esther Circle

At the monthly meeting of the Esther Circle of the Walnut Creek Presbyterian Church last week at the home of Mrs. Robert Helstrom of Pleasant Hill, the missionary message of the month was given by Mrs. John Annis of Springhill Road.

Mrs. Ralph Peters of Oak Hill Road also gave a missionary talk covering the year's study of missions.

Mrs. Ralph Reichert of Circle Drive is program chairman of this group.

Patronize Hometown Merchants.

Cousins Join in Birthday Celebration

David Sandberg of Los Arabis Road had a wonderful birthday party September 26. He celebrated his sixth year. Besides the usual games, cake and ice cream, his cousins, Danny and Barbara Beeghly from Sacramento came down to help make it more exciting. Other guests included Kirk Johnson, Larry Logan, John Durham, Scotty Scott, Margaret Pendleton, Tara Connor, Maryly Snow and Wayne Coffee.

1 OUT OF 32

One out of 32 persons in the United States was disabled one or more days by injuries received in home accidents during 1949.

Mrs. Pahl, Children Back From Pinecrest

Mrs. John Pahl of Hidden Valley and her three children—John, 13; Penny, 10, and Ricky, 8—returned recently from an eight-month stay at Pinecrest. While there, the children attended the Long Barn school 10 miles from Pincrest. Their education also included learning how to ski. Mr. Pahl visited them on weekends.

Mothers Club Plans General Session; Board and Room Meetings To Be Held

The first general business meeting of the Orinda Mothers' Club will be held Tuesday, October 17, at 2 o'clock in the Orinda School auditorium.

Mrs. Barr and Mr. Busch will be present to acquaint mothers with the new music program started this year. Hostesses will be mothers of Mrs. Blessing's 3rd grade, Mrs. Charles Blue, room mother. There will be child care for 35c per child at the Orinda Community Church as usual.

MOTHERS CLUB BOARD

The board of the Orinda Mothers' Club will hold a meeting on Tuesday, October 10th at 2 o'clock at the home of Mrs. Anthony Cianciarulo, 41 Estates Drive.

ROOM MEETINGS

The original schedule of the room meetings had to be changed as Supt. Joseph Sheaff was called out of town for the week of October 2. The meetings scheduled for that week will be held at dates to be announced later. The meetings scheduled so far are as follows:

Wednesday, October 11: Miss Seifker's 3rd grade, Glorietta School, at the home of Mrs. H. S. Kimball, 19 Owl Hill Road, at 2:30 p.m.

Thursday, October 12: Mrs. Kerrigan's 1st grade, Orinda School, at the home of room mother Mrs. G. W. Miller, 30 Las Cascadas Road.

Friday, October 13: Combined 7th grades (teachers Miss Tighe and Mr. Lambert) at the home of Mrs. Kenneth St. Clair, 24 La Campana at 3 o'clock. Room mothers Mrs. Walter Nicklas and Mrs. Emory Davis are co-hostesses.

Wednesday, October 18: Mrs. Lamborn's 2nd grade, Orinda School, at the home of room mother Mrs. Kirk Miles, 11 La Plaza, at 3 o'clock.

Thursday, October 19: Combined 8th grades (teachers Mr. Richards and Mr. Comer), at the home of Mrs. James Freeman, 28 Las Cascadas at 3 o'clock. Room mothers Mrs. W. K. Ellermeyer and Mrs. Clarence Palmer are co-hostesses.

Friday, October 20: Miss Knox's 4th grade, Orinda School, at the home of room mother Mrs. Jack Stahle, 120 Las Vegas at 3 o'clock.

7 Home-Garage Units in Permits

Permits were granted for construction of seven residence and garage single units and for alterations to two buildings in the Orinda area for the week ending September 29.

Residence-garage permits were given as follows:

Owner H. A. Swanson, $16,863, Lot 96 Van Ripper Lane and Lombardy, Sleepy Hollow 2, builder Bailey Construction Company, Lafayette.

Owner Jim Ottino, Berkeley, $12,250, lot portion 111 Brookside Road and Orchard Road, Moraga Estates, builder Charles Marietta, Martinez.

Owner and builder Fred T. Wood, Orinda, $10,320, portion of Lot 44B and 44A Lost Valley Drive and Snow Court, Lost Valley.

Owner G. F. Engelhard, Berkeley, $9,258, Lot 145 Robert Road, Moraga Meadows 5, builder Hancock Construction Company, Lafayette.

Owner and builder Ted A. Casha, Oakland, 9,123, Lot 85 El Camino Moraga and Don Gabriel, Moraga Del Rey.

Owner and builder C. E. Phillips, Orinda, $9,903, Lot 158 Irving Lane and Van Ripper, Sleepy Hollow 2.

Owner Dr. J. C. Bartlett, Berkeley, $16,827, portion of Morrish property, Glorietta Boulevard, builder Harold L. Paige, Oakland.

Permit for residence alteration, $6,942, was granted owner and builder Everett MacQuiddy for portion of Lots 3 and 4 on Valley View, Lost Valley, and for addition to sun porch, $1,080, to owner Fred Twining for property on Lot 7 Block A Loma Vista Drive and El Toyonal, builder S. Roycroft, Walnut Creek.

If you love children — yours and your neighbors' — slow down when you drive home today.

Membership Drive Very Successful

The annual Orinda Mothers Club membership drive has been termed a "grand success." Interest and rivalry was high throughout the two weeks.

The dog race tracks, made by Frank Sellers, were thoroughly enjoyed by the children. Mrs. Parker's Glorietta 2nd grade was the first class to achieve 100 per cent membership and won the first prize of $5. The following classes also attained 100 per cent and each of them received $3.

GLORIETTA SCHOOL: Miss Haviside's kindergarten, Miss Blumberg's 2nd grade, Miss Siefker's 3rd grade, Mrs. Colling's 4th grade, Mrs. Anderson's 6th grade and Mrs. Martinelli's 4th grade.

ORINDA SCHOOL: Mr. Comer's 8th grade, Mr. Hill's 5th grade, Miss Tighe's 7th grade, Mrs. Canty's 2nd grade, both Mrs. Marttilla's kindergartens and Miss Knox's 4th grade.

The teachers and the children winning the prize money are allowed to purchase anything they choose for their class.

Stanford Mothers Tea Next Tuesday

Mothers of entering students of Stanford University will be honored guests at a tea next Tuesday at the home of Mrs. George F. Calvin on Hillside Avenue, Piedmont. Hostesses will be the officers and directors of the Stanford Mothers of the East Bay.

Mrs. Edgar L. Buttner, president, has appointed Mrs. Fred H. Warnecke general tea chairman, assisted by Mesdames Richard Breuner of Orinda, Buckingham McClellan and Philip N. McCombs.

Other board members assisting include Mesdames Ronald B. Slater, Wallace E. Breuner, George F. Calvin, William A. Gonser, Dwight Chapman, Roy A. Legge, Harry L. Price, Dunlap C. Clark, Ralph S. Walker, George Otterson and Bradley W. Wyatt.

Services Held for Federighi's Aunt

Final rites for Mrs. Guistina Santi, aunt of Fred Federighi, were held at St. Leander's Church in San Leandro on Monday with entombment following at Holy Sepulchre Mausoleum.

Widow of the late Vitale Santi, she is survived by a sister and a number of nieces and nephews who live in the Bay Area. She was a native of Florence, Italy.

Local People In Series of Auto Crashes

An overturned car, a smashed plate glass window and a head-on collision of a fire department pickup truck and another car — with no serious injuries!

That tally for this area was chalked up by the California Highway Patrol during the past several days.

WEST OF LAFAYETTE

The overturned car did its stunt on Mt. Diablo Boulevard a mile west of Lafayette Thursday of last week. The Orinda couple and their small son escaped with minor cuts and bruises. Driver was Victor F. Baumhefner, 35; with him in the car was his wife, Frances, and their four-year-old son, William. They live on Overhill Road.

Baumhefner told Highway Patrolman Sam Rowe he swerved to avoid hitting another car pulling onto the highway near the Corral restaurant. Their injuries were treated by Dr. Clifford Feiler.

HEAD-ON CRASH

The Lafayette Fire Department's pickup truck, driven by Assistant Chief Elwin Maxey, and a car driven by Charles Bieneman of Concord collided head-on at the intersection of Mt. Diablo Boulevard and Pleasant Hill Road at 6:30 p.m. last Saturday. There were no injuries, but there was damage to the cars.

The fire department pickup truck had been going south on Pleasant Hill Road and the car driven by Bieneman had been headed east on the boulevard.

The fire department had gone out on what proved to be a false alarm.

WINDOW SHATTERED

At 8 that same evening the plate glass window of the Kustom Studio on Golden Gate Way, Lafayette, was shattered when the car driven by Frank Robert Buchanan, 34, P. O. Box 503, Lafayette, smashed into it.

There were no injuries — but, in addition to the smashed window, the sign was broken and the furniture in the window-display was cut. Buchanan told the Highway Patrol he lost control of the car when, as he was driving west along Golden Gate Way just off the highway it struck a rut.

Church Building Fund Drive Opens Sunday Morning

Laymen will assist the minister, Rev. Fred Morrow, at Orinda Community Church Sunday morning in presenting the appeal for the church's building.

All members and supporting neighbors of the organization are urged to be present at 11 a.m. for the opening of a concerted financial effort to raise $25,000 in cash immediately to permit beginning construction of the chapel and classroom building.

Theme for the worship service has been announced as "Comes the Moment." Following the service, 100 representatives of the church will begin their visitation. Described by the chairman, Joseph R. Creighton, as "a venture of faith," the effort is to culminate within the week.

Parents who visited the Community Sunday School last week found 365 pupils and teachers packed in the present quarters, which were built to accommodate about 150. "Our next building is the only answer to present overcrowding and the fast growth of Orinda's young population," said Everett D. Howe, superintendent of the school. Sessions will of course be continued this Sunday at 9:30, he added.

With Youth Assistant Ray Fowler directing its activities, the Youth Fellowship will continue its Sunday evening meetings with a worship, discussion and recreation period lasting from 7 to 8:30. Mr. and Mrs. Fred Twining are sponsors.

Attendants at the worship service will find the mixed choir under the direction of Margaret Popovich rendering a reverent contribution through anthem and leadership of congregational singing.

Cummings Attends Weimar Meeting

Supervisor Jack Cummings attended Monday's monthly meeting of the board of Weimar Sanitarium near Colfax. Because of that, he was unable to be present at the weekly session of the Board of Supervisors in Martinez.

Cummings is a member of the Weimar board.

Don Bradley Spends Vacation Week Home

Home last week on a one-week between-terms vacation from the Art Center College of Los Angeles was Don Bradley, son of Mr. and Mrs. Theodore F. Bradley of 50 La Cuesta. With him as house guests were classmates Fitchie Kimball of Stamford, Conn., and Carl Baxter of Rochester, N. Y.

Galliano's Painting Voted Most Popular

The painting, "October Afternoon," also referred to as "Hayloft," by Jack Galliano of 45 Crest View Drive was recently voted the most popular among some 80 paintings which were on exhibit at the Albert S. Samuels jewelry store in San Francisco. The Samuels firm then bought the picture and offered it to the Palace of the Legion of Honor.

Those Items'll Cheer Weimar Kids at Xmas

All organizations of this area are asked to make a drive for pajamas, any size for child or adult, and for scrapbooks, old toys, washable dolls, etc. for patients of Weimar Hospital at Christmas time.

Episcopal Plans Arouse Interest Among Orindans

Announcement last week of the plan to hold Episcopal Church services in Orinda has resulted in numbers of telephone call from interested residents to members of the executive committee, according to Mrs. James Brown, who is handling the publicity.

Although effort was made to contact all Orindans to acquaint them with the movement to establish Episcopal services, some persons were undoubtedly missed. Those who are interested are asked to telephone Mrs. Walter Christie, Orinda 7661, or Mrs. William Sparling, Orinda 8528, for further information.

SERVICES OCT. 15

Through the efforts of a group of Orindans who have made plans possible through the cooperation of Bishop Karl Block of San Francisco, the first Episcopal services will be conducted October 15, 11 a.m., at the Scout House at Orinda Park Pool. The Rev. John Geene, who is nationally known, will conduct the services.

Formation of Sunday School classes has been planned for the near future, with a program for young folks from elementary school through high school ages in process of being mapped out, according to Mrs. Brown.

POTLUCK SUPPER

Mrs. Robert Moorehead is in charge of arrangements for the potluck supper to be held at the home of Mr. and Mrs. William Sparling, 9 Highland Court, on October 26. All those interested in establishment of the new services in Orinda are invited to the affair, at which Bishop Block will be an honored guest.

Dr. A. P. Wold, who was elected as a member of the executive council at a formative meeting last week, has found that he can accept the office, and he is expected to be of great assistance in the executive planning. Other officers are: Mrs. William Sparling, chairman; Walter Christie, Mrs. Clinton Easterbrook and Mrs. Seaver Ballard.

Groups Can Use Church Building

Groups wishing to use the Community Church building in Orinda are asked to channel their requests through the trustees' chairman of building use, Mrs. E. C. Drews, Orinda 7421.

The facilities are open without charge to all community and character building activities within the limits of existing uses, she states.

Mrs. Drews was elected a trustee last week by the congregation, to replace Mrs. Harper Wright, who has moved from the community.

Water Ruins Mail In Village Boxes

Latest "prank" of some Orinda youngsters, according to complaints reaching the SUN, is the pouring of water in the Village mail box.

Residents who do not think this funny recall that not so long ago they found the boxes flooded with "coke."

Letters and other important mail are damaged, if not ruined, by such "stunts."

Mrs. Conley Improves After Serious Illness

Mrs. J. F. Conley is home now from the hospital, slowly recovering from a serious illness.

No Wonder Teachers Are Full of Pep!

That new zip and sparkle in the eyes of Orinda and Glorietta School teachers who were at the schools last year and have returned may be explained by the interesting experiences some of them had during the summer:

MISS DAVISON, Glorietta 1st grade: Summer school at U.C. Attended Elementary Workshop at Whittier Demonstration School. Vacation through central Oregon and Washington to Vancouver, by boat from Vancouver to Victoria.

ELIZABETH HAVISIDE, Glorietta kindergarten: European tour of 12 weeks. A study of the history, art and culture at countries visited.

MRS. R. LAMBORN, Orinda 2nd grade: Three-month trip to Europe, visited England, Scotland, Holland, Belgium, Luxembourg, Austria, Switzerland, Italy and France. Went over on the S.S. Queen Elizabeth and returned on S.S. Mauretania.

Saw Laurence Olivier in "Venus Observer" in London, heard the outdoor opera in the old Roman Baths in Rome, went to a reception at Ambassador Dunn's in Rome. Saw the ballet in the Paris Opera House, had dinner and watched the sunset far up in the Eiffel Tower.

MRS. BLESSING, Orinda 3rd grade: Visited Texas, going by way of New Mexico, Arizona, and returning by way of Colorado and Utah. Spent a week at the U.C. "Lair of the Bear" near Pinecrest.

MRS. VERNA GIVENS, Orinda 6th grade: Summer School, Arts and Crafts.

MR. ISOLA, physical education, both schools: Attended summer school. Vacationed in Texas, Gulf of Mexico, Carlsbad Caverns, Grand Canyon, Zion National Forest and Lake Tahoe. Golf, fishing and hunting.

GOP Women Will Meet Wednesday At Country Club

The Republican Women's Club of Orinda will hold another meeting at 10 a.m. next Wednesday at Orinda Country Club. Mrs. Anna Law of Oakland will be the speaker.

Mrs. Law, now a member of the Republican State Central Committee and vice-chairman of the Alameda County Central Committee, was an organizer of the League of Women Voters and was its first state president.

Orinda Lions Roar at Picnic

Thick steaks and other good food made Orinda Lions happy at their barbecue get-together at St. Mary's College picnic grounds last Saturday night. Co-Chairmen Henry Carr and Mathew Allen won praise of their brother Lions Club members and guests for their planning.

Failure of the generator governing the power system at the grounds at about 10:30 did not faze the cleanup committee, which completed its chores by automobile headlights.

STORK ..CLUB..

Born to Mr. and Mrs. Al E. Lorne at Peralta Hospital September 24: A baby girl, Denise Katherine, weighing in at 7 pounds, 7 ounces. Denise Katherine is the Lornes' first child. Dr. Dorothy Allen attended.

MacQuiddy Gets Side Yard O.K.

Following favorable recommendation by the Planning Commission, the Board of Supervisors Monday granted Everett MacQuiddy a permit for a 10-foot side yard on one side of his house on Lost Valley Drive.

The house, in an R-A district, is on portions of Lots 3 and 4, Lost Valley Estates, fronting approximately 175 feet on the south side of Lost Valley Drive.

The Planning Commission Tuesday night recommended that the supervisors grant the application of A. R. Winans for a permit to have a 13-foot setback for garage at one point, Lot 26, Sleepy Hollow Unit 1, on Tarry Lane.

In our neighborhoods, please do drive carefully. How fast can you stop if a child runs into the street in front of your car?

H.S. Mothers to Meet on Monday

First regular membership meeting of the school year for the Orinda High School Mothers Club will be held Monday, 12:30 p.m., at the home of Mrs. A. B. Johnson on Glorietta Boulevard. All members are invited to attend.

"Driver Training" will be discussed by Mr. Leahy, who teaches driver training at Acalanes High School.

First board meeting of the school year was held September 25 at the home of Mrs. E. H. Fisher on Orinda Highway.

Officers and chairmen announced for the year are:

President, Mrs. E. H. Fisher; treasurer, Mrs. R. W. Johnston; recording secretary, Mrs. George Everest; corrospending secretary, Mrs. E. W. Druhe; tea chairman, Mrs. Ralph Hall; bridge chairman, Mrs. A. B. Johnson; publicity chairman, Mrs. R. D. Harrison.

CHRISTIAN SCIENCE CHURCH

This Sunday, October 8, the Christian Science Lesson-Sermon will have for its subject the following question, "Are Sin, Disease, and Death Real?"

The Golden Text from Psalms will read, "Salvation belongeth unto the Lord: thy blessing is upon thy people" (3:8), and the sermon will include other citations from the Bible, one of which is this from John 3:16, 17: "God so loved the world, that he gave his only begotten Son that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved."

Correlative citations from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will include the following: "He that touches the hem of Christ's robe and masters his mortal beliefs, animality, and hate, rejoices in the proof of healing, — in a sweet and certain sense that God is Love" (p. 569).
